[Search for Command and Conquer at Game Addiction \(Click Here\)](#)

### 1.) Stage Select

At the title screen when Press Start is displayed, enter the following code with the controller pad: B, A, R, R, A, Right-C, Up, Down, A.

On the main menu, choose the replay Mission option. You can press the L button to display all available missions. As usual, the R button lets you select what side you are playing on.
